Go to richmondsquash.helloclub.com/register or scan the **QR code** to get started.

Once your pending membership is approved, you can either pay online or see our team at the front office to make payment and collect your access tag.

Richmond Squash has a pathway for new Squashies

Club Nights

Thursday nights from 6:00pm until 9:00pm, we block the courts out for Club Night. One of our experienced, friendly squash members will be there to share their knowledge with anyone who is keen to learn. We will provide introductions for new players, and allocation of games and courts.

Social Pennant Competition

Once you have been given the nod from our Club Night facilitators, you can register for our in-house Social Pennant competitions. This competition runs for seven weeks at a time (four times per year).

Games are 25 minutes of non-stop action (with handicaps if required) to see who can win the most points.

And win or lose, there's always time for a cold one after!

Graded Players

The Squash Section is affiliated with the Canterbury and New Zealand Squash organisations. We have women's and men's teams playing in the weekly interclub competitions. Full membership is required to play in interclub competitions.

Being a graded player also creates the opportunity to play in tournaments at all clubs throughout New Zealand, including our very own Richmond Open.

Remember, non-marking shoes are a must!

Please help us keep our courts in great condition by wearing non-marking shoes dedicated for use in the squash courts only. Your squash shoes should not be worn outside, as this can bring in debris and damage our facilities. Our team will politely ask you to leave the court if you are wearing incorrect footwear.
