POWERED BY **frello.**

How to join?

Our online platform 'Hello Club' takes care of all membership and court bookings.

This will allow you to play casually (pay-to-play) or join as a Richmond Squash Centre member.

Go to <https://richmondsquash.helloclub.com/register> or scan the QR code to get started.

In the registration process you will also get an option to **+ ADD MEMBERSHIP** which allows you to join as a Richmond Squash Centre member.

Once your pending membership is approved by our team, head down to our front office to pay your membership fee, and obtain your access tag. The team will have you up and running in no time.

Booking casually? No keys required! Simply book a court and you'll be sent a one-off access code for our centre.

Ready to play? Simply log in to Hello Club and click on 'bookings' to schedule your first game! How good.

I'm a Member, now what?

Richmond Squash has a pathway for new Squashies.

Club Nights

Most Thursday nights from 6:00pm until 8:00pm, we block the courts out for Club Night. One of our experienced, friendly club members will be there to share their knowledge with anyone who is keen to learn. We will provide introductions for new players, and allocation of games and courts.

Social Pennant Competition

Once you have been given the nod from our Club Night facilitators that you're ready, you can register for our in-house Social Pennant competitions. This competition runs for seven weeks at a time (four times per year).

Games are 25 minutes of non-stop action (with handicaps if required) to see who can win the most points.

Win or lose, there is always time for a cold one after!

Graded Players

The Squash Section is affiliated with the Canterbury and New Zealand Squash organisations. We have women's and men's teams playing in the weekly interclub competitions. Full membership is required to play in interclub competitions.

Being a graded player also creates the opportunity to play in tournaments at all clubs including our very own Richmond Open.

Remember, non-marking shoes are a must!

Please help us keep our courts in great condition by wearing non-marking shoes dedicated for use in the Squash courts only. Your squash shoes should not be worn outside as this can bring debris into the courts and damage our facilities.

Our team will politely ask you to leave the court if you are in incorrect footwear.
